## OUR SERVICES TO YOU.

We know what your working day consists of, and the challenges that go with it. Both our office staff and our external sale force are fully experienced in both theory and practice and are all happy to pick up an angle grinder themselves when the occasion calls for it. They speak your language and can give you effective, tailored advice on choosing the right tool.

## WE SHARE OUR KNOWLEDGE.

Visit our TECHNIKUM - where you can get hands-on with our expertise. Straight after the theory into practice in our adjacent grinding centre. And if you have any specific application problems, our application and design engineers have an answer to (almost) every question.

Make the most of our "mobile TECHNIKUM", too. The LUKAS van contains everything you need for a professional tool seminar. Why not use the LUKAS van for a time-saving staff training session at your own premises?
